

The ASA is the RESOURCE for STATISTICS STUDENTS!

STUDYING STATISTICS OR DATA SCIENCE?

Join the ASA and start the path toward shaping your future!
With more than 19,000 members, the ASA makes networking
a snap. Join your school's student chapter, your local chapter,
and a section (or two or three) that match your interests.
You will form career-boosting and lifelong connections!

can do for you? Visit our page for students at
www.amstat.org/statistics-students

JOB HUNTING

Take advantage of the ASA's services for
building your résumé and meeting employers

CAREER SERVICE

This unique service gets
your résumé in front of
employers invested in
hiring up-and-coming
statisticians. Check out
our annual conference
pages for details!

INTERNSHIP LIST

Our annual list for
opportunities to gain
work experience with
employers throughout
the U.S.

internships-fellowships](http://www.amstat.org/internships-fellowships)

JOBWEB

Upload your résumé,
and start your stats
job search today!
[www.amstat.org/
jobweb](http://www.amstat.org/jobweb)

[ww2.amstat.org/
education/
datafest/index.cfm](http://ww2.amstat.org/education/datafest/index.cfm)

ASA DATAFEST

Join a team of under-
graduates and work
around the clock to find
meaning in a large, rich,
and complex data set.
Win Best in Show, Best
Visualization, or Best
Use of External Data!

PAPER/POSTER COMPETITIONS

Enter one of our sections'
student paper/poster
competitions! Many offer
awards that'll make a big
dent in travel expenses.
[www.amstat.org/
jsm-student-travel-awards](http://www.amstat.org/jsm-student-travel-awards)

UNDERGRADUATE STATISTICS PROJECT COMPETITION

Submit your class project
or individual research
project to this annual
competition, which is
conducted in partnership
with the Consortium for
the Advancement of
Undergraduate Statistics
Education (CAUSE).
Don't want to compete?
You can still attend the
associated Electronic
Undergraduate Statistics
Research Conference
for free!
